

Mid-Week Lenten Service Project

Mid-Week Grade 3-6 are making Worship Bags for kids as a Lenten Service Project. Worship bags contain items that will help children stay focused on the meaning of Sunday mornings. Mid-Week students will be creating these bags and making an "I Spy" type of picture book with photos of items in the Church to "Find" as they prepare for worship.

We are asking for donations of other items to put in the bags. We are making 16 bags. If you could help supply any of these items, please put them in the Choir Room for us! Remember: we want these bag item to be religious in nature.

- Christian Story Books
- Christian Coloring Books
- Crayons
- Small dry erase board and markers
- Small Children's Bible
- Magic Slate
- Shoelace lacing toy- Christian shapes
- Christian Stickers and notebooks
- Bible People finger puppets

Also, we are looking for someone who does woodworking to help design a spindle type holder to hang these bags on!

These are just ideas. If you have any other ideas please let Jean Grewe know!
