Adult Books

Growing in Joy by Ron Klug

Are you filled with the joy of the Lord? Is your life overflowing with joy? If so, you probably don't need this book.

If you believe there is in the Christian life a greater potential for you than you are now experiencing, this book may help you.

Children's Books

Amazing Tales and strange Stories from the Bible by Doyle & Goffe

The Bible is full of amazing stories - from a boy fighting a giant to a man swallowed by a big fish. These powerful stories are told with bold, bright illustrations and age-appropriate text to engage children in God's Word.

The Creation by Paul L Maier

this book describes what we know about the creation of the world as revealed in Scripture. Young readers will learn that God created the world and everything in it. He created us in His image and gave us stewardship over the earth. As the book unfolds, readers will learn about the fall into sin and the implications, and how God planned to reconcile us to Him through the promised Savior. This book clearly states that God created the world in seven days. It, therefore, implies that the scientific theories of evolution and the big bang are flawed and incomplete. And it introduces the reader to the thread of Messianic prophecy that weaves throughout the Old Testament. It is an important tool for dispelling myths and for teaching about the all-powerful nature of God and about our place in His world. More importantly, it will help young readers recognize the hopelessness of our sinful human condition and our abject need for a Savior from sin.

LYF— Williamsburg Circuit High School Youth Group will resume meeting on Wednesday evenings from **6:00-8:00 PM** beginning **September 2**.

Students, please plan to join us for fellowship, food, devotions, and games. We look forward to seeing everyone again and hope to welcome some new faces as well! Feel free to invite your friends. You do not need to be a member of one of our Lutheran churches to attend.

The youth leaders would also like to ask parents to share their email addresses with us. While we collect student email addresses when they attend, we would also like to keep parents informed about youth group activities, events, and opportunities to help provide meals for the students. Each week, we share the menu and offer the option to sign up to bring an item if you would like.

Capital Improvement Campaign

Greetings,

As many of you know, the \$125 for 125 campaign kicked off back in late 2022. We have already raised over \$73,922.97 for capital improvements. What a blessing!

If we continue towards our goal, which is for each communicant member to donate \$125 a year for the next 3 years, we can still hit our \$500,000 goal! These funds would help the congregation pay for capital improvements and give us another reason to celebrate in 2029!

We ask that you prayerfully consider this campaign above your normal monthly offerings. Just remember to put "125 for 125" on your offering envelope.

Thank you all for your continued support of this campaign!
