##### **Because I Love You by Max Lucado**

A long time ago a wise man named Shaddai built a wonderful village for children to live in. He talked to them and sang for them and told them stories. He gave them everything they needed. And with his own hands Shaddai built a protective wall around their village, rock by rock.

He did all of this for just one reason—because he loved them.

One day Paladin, the village's most curious child, discovers something troubling about the wall. Something that makes him wonder about Shaddai's love. Could there be a mistake?

Young Paladin is about to discover the answer. And when he does, he will come to understand just how deeply he is loved. And so will you.

**"Created in Christ"  
on Christian identity**

Where do we learn our identity? Christ teaches one thing; the world teaches another thing. As the Church catechizes her young, so does the world. Today the world has many things to say about who we are and what our identity is.

“Created in Christ” is a VBS program about our true identity as baptized children in Christ. How did God create us? What has the fall done to our identity? How has Christ redeemed us?

*Join us for VBS this year as we explore the beautiful truths of Christian identity!*

### **Capital Improvement Campaign**

Greetings,

As many of you know, the \$125 for 125 campaign kicked off back in late 2022. We have already raised over \$73,797.97 for capital improvements. What a blessing!

If we continue towards our goal, which is for each communicant member to donate \$125 a year for the next 3 years, we can still hit our \$500,000 goal! These funds would help the congregation pay for capital improvements and give us another reason to celebrate in 2029!

We ask that you prayerfully consider this campaign above your normal monthly offerings. Just remember to put "125 for 125" on your offering envelope.

Thank you all for your continued support of this campaign!
